

BAR BOY- MSC CRUISES

JOB PURPOSE

- Bar Utilities are required to maintain a clean and sanitized environment in all bar areas.
- MSC Sanitation standards are applied in all these areas, as they include Food contact surfaces and food and beverage preparation areas.
- Bar & Lounge cleaners are in a good position for promotion through the bar department, as this position exposes the incumbent to most aspects of bar work.

KEY ACCOUNTABILITIES

- Attend all training sessions as required by the Bar Manager or Company procedures.
- Attend to all cleaning duties in all bar areas specified by the Bar Manager or Assistant.
- Attend daily meetings each day as specified by the Bar Manager.
- If required by the Bar Manager, Shampoo carpets in designated areas, always placing signs to indicate 'wet carpet' or 'use other side' as required.
- Empty and clean all ashtrays in designated lounges.
- Use specified institutional cleaning chemicals as per Standard Procedures, and to store these chemicals safely, labelled and securely.
- Transport beverage items from the Storerooms to the Bars each day or each morning and evening as required by the Bar Manager.
- If in the opinion of the Bar Manager qualifications and abilities are adequate, to act as an Assistant Bar Tender in times of need.

QUALIFICATIONS (skills, competencies, experience)

- High School graduate
